Dear Mr Maurer,

Thank you for your recent correspondence regarding the Coronavirus (COVID-19), specifically in relation to the funeral industry.

Rest assured I have noted your feedback and appreciate you bringing it to my attention.

As you may be aware, the measures introduced to date are based on advice from leading health experts in NSW and across the country. The NSW Government is closely monitoring the situation and will continue to do whatever it takes to safeguard the community.

NSW Health encourages people to continue to monitor the COVID-19 Vaccine Eligibility Checker for future appointments or availability due to cancellations at www.health.gov.au). People are also able to register their interest in receiving the vaccine through NSW Health via www.service.nsw.gov.au.

For further information, please visit www.health.nsw.gov.au or call the COVID-19 Vaccine Hotline on 1800 020 080

I urge everyone to follow the COVID Safe rules, and get a COVID-19 test even with the mildest of symptoms, and vaccinated as soon as you are eligible

Again, thank you for contacting me.

Yours faithfully,

Gladys Berejiklian MP
